At the beginning of the Gospel of John, those interested in Jesus asked Him where He lived. Jesus' response was simply, "Come and see" (John 1:39). They trusted, went with Him, and found truth and life.

TEC (Together Encountering Christ) is an intergenerational movement of the Catholic Church designed to help meet the spiritual needs of Catholic Christians. Each TEC retreat proclaims the Paschal Mystery which is the central message of Christianity – the death, resurrection, and mission of Christ. Participants not only hear about the Paschal Mystery, but they also experience it. A TEC is Scriptural, gives a well-defined overview of Catholic Doctrine, presents the attractiveness of the Liturgy, and brings the Gospel message alive through the witness of a community of people centered around the truths embodied by Jesus Christ.

Those who are 16 years and older are invited to take part in a KAIROS TEC (pronounced "kigh-rohs") weekend. This Greek term means that now is the time of the Lord, now is the time of decision, now is the time of salvation. This name captures the uniqueness and reality of the TEC format. It has been an invaluable experience for many people and we extend this invitation to you to "come and see."
